

CB-19SL

Portable Evaporative Air Cooler
SKU# 5150082

Powerful Cooling in a Compact Package

Introducing the Cool Boss CB-19SL, the compact, cost-effective evaporative cooler designed to keep your workspaces and outdoor areas chill. With a 1/3 HP motor and 19" Blue Flex™ fan, it drops temps by up to 26°F while using less than a dollar's worth of energy for all-day cooling. Its 15.6-gallon tank and Honeycool™ media pads ensure continuous airflow, while the automatic swing-louvers cover 3,240 square feet, letting you direct refreshing air exactly where you need it. Choose from three fan speeds for custom comfort.

The CB-19SL's large, easy-roll casters make it ultra-portable, so you can move it around your shop with ease. Just plug it into any standard 110V outlet, and you're set for hours of cooling power. Perfect for garages, warehouses, and outdoor spaces, it's a smarter, cheaper alternative to traditional AC. Cool your space for less— with the Cool Boss CB-19SL.

Features

- Space-saving design
- Antibacterial housing
- User-friendly controls
- Durable swivel casters
- Water inlet flow control
- Blue Flex™ axial-flow fan
- Oscillating auto-swing louvers
- Honeycool™ evaporative media
- Automatic water source shutoff
- Protective cover comes standard
