

ERGO-GLIDE

SKU# 5160120

THE PERFECT BLEND OF COMFORT,
SUPPORT, AND MOBILITY

OVERVIEW

Introducing the newest member of the ergochair family the Ergo-glide. If you're tired of working in uncomfortable creeper seats, the Ergo-glide is the rolling work seat for you. This durable yet comfy creeper seat delivers enhanced mobility on a stable platform as you work on, around, and under vehicles.

Experience the perfect blend of comfort, support, and mobility on a stable and ergonomic platform with the Ergo-glide reclining creeper seat. This innovative work seat has been designed to take your work experience to heights previously thought impossible.

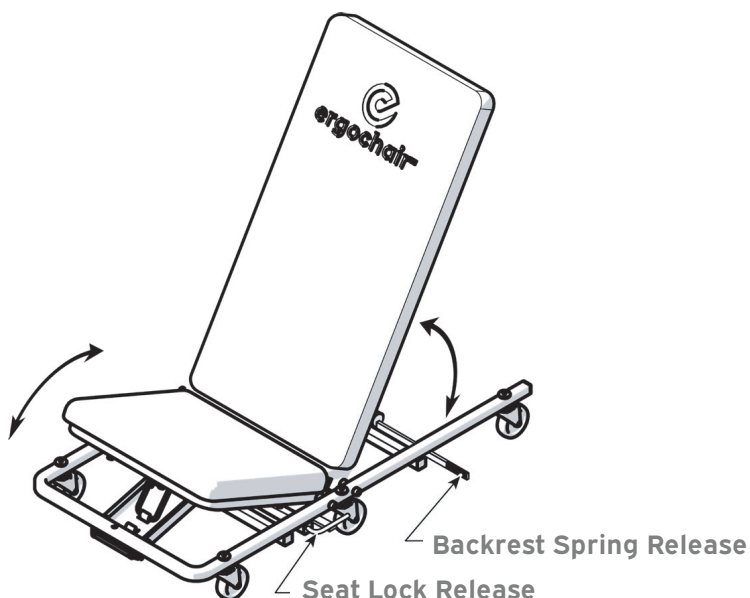

The Ergo-glide boasts a backrest supported by a gas spring, offering a seamless angular adjustment from 0° to 70°. With this variety, you're able to find the perfect reclining position to suit your comfort. Speaking of which, you can adjust your seat angle in increments of 10°, achieving a maximum angle of 30° - providing optimal support for the task at hand.

With six 360° swivel casters you're able to move freely around your workspace and ensure smooth and easy mobility. With the Ergo-glide you won't have to limit your movement as you glide effortlessly throughout your shop.

Whether you're tackling projects in your garage or working in a professional setting, the Ergo-glide is your go-to solution for comfort and convenience. Upgrade to the Ergo-glide today and make performing everyday tasks a breeze.
