WORK SMARTER, NOT HARDER

OVERVIEW

When it's time to get to work, set yourself up for success with the Ergo-JET. Horizontal and vertical arm adjustment allows you to work whichever way feels the most comfortable, and the Ergo-JET is equipped with adjustable gas springs which allows you to work at your preferred level. Four swivel casters ensure that you maintain stability while gaining a full range of mobility. With a minimal footprint, you're able to enjoy all the benefits that come with an adjustable, rugged workstation.

Your back and neck shouldn't have to pay for your hard work, and with the Ergo-JET you won't have to. Built for demanding environments, this rolling work seat also features a handy tool tray, so you have what you need within reach. Your body and mind will stay fresh when you're working in comfort. Take productivity and efficiency to the next level with the Ergo-JET.
