

RECLINING CREEPER SEAT

SKU# 5160119

HI-LOW ADJUSTABLE CREEPER SEAT

Say goodbye to uncomfortable creeper seats and upgrade to the MaxJax Reclining Creeper. This gas-assisted creeper offers a durable and comfy seat, smooth mobility, and a stable platform – perfect for working on, around, and under vehicles. Now you'll have what you need to make working long hours feel like nothing. Get ready to roll in comfort!

OVERVIEW

Take the driver's seat in comfort and mobility with MaxJax's super-plush adjustable work creeper. This isn't your everyday garage companion; it transforms in seconds from a low-profile mobile creeper to your supportive work seat – offering unparalleled versatility in the workplace. Our creeper was designed by car guys who know all too well how it feels to spend your day working on a flimsy piece of equipment. With the MaxJax adjustable creeper, you can forget the struggle of finding a good angle under a car.

UNMATCHED COMFORT AND ADJUSTABILITY

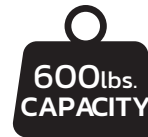

The gas spring ensures a seamless, flowing motion – enabling you to find your perfect seating position with ease. Whether you need a slight tilt or a complete recline, the gas spring control provides adjustments that are both effortless and precise. Whatever job comes up in the shop, you can rest easy knowing MaxJax delivers.

A comfortable mechanic is a productive mechanic. The gas spring keeps you relaxed throughout your shift, reducing fatigue and letting you power through repairs. Simple position changes saves you precious time crawling and contorting. Plus, the gas-assisted upright position makes moving between the car and toolbox a breeze, streamlining your workflow and boosting overall productivity.

BUILT TO LAST

We all know when working, comfort is king – but MaxJax doesn't stop there. This workhorse creeper boasts a robust steel frame that supports up to 600 pounds, making it your reliable partner in any workshop. Heavy-duty marine-grade vinyl repels water, stains, and abrasions – no matter how messy the job gets. Fire-retardant, antimicrobial, and easy to clean, this creeper lets you spend less time prepping and more time turning wrenches.
