

RTJ-3000

1.5-Ton Capacity Transmission Jack
Truck Model

SKU# 5150406

BUILT FOR HEAVY DRIVETRAIN SERVICE

Built for heavy drivetrain service, the **RTJ-3000** Transmission Jack delivers high-capacity lifting, confident stability, and precise control when handling large transmissions and assemblies. Its 3,000 lb. first-stage capacity and two-stage hydraulic system provide the power and reach needed for demanding jobs, while the adjustable saddle and secure restraint system help maintain alignment under load. Designed for professional shops, the **RTJ-3000** ensures dependable performance when precision and control matter most.
