**1. Ultimate Tire Storage Solution**

Safe and convenient method to store and transport wheels and tires while maximizing your workspace.

2. Adjustable Tier Design

The upper tire storage tier is adjustable to five height positions, spaced 2.75 inches apart, accommodating a wide variety of tire sizes.

3. Built-In Sign Holder

Features a top-mounted sign holder, complete with three general sale and service signs to add a professional touch to your shop.

4. Heavy-Duty Construction

This rugged, welded steel alloy rack has been designed for durability and boasts a tough powder coat finish that ensures long-lasting performance in demanding environments.
