

Cool Boss Technical Service Bulletin

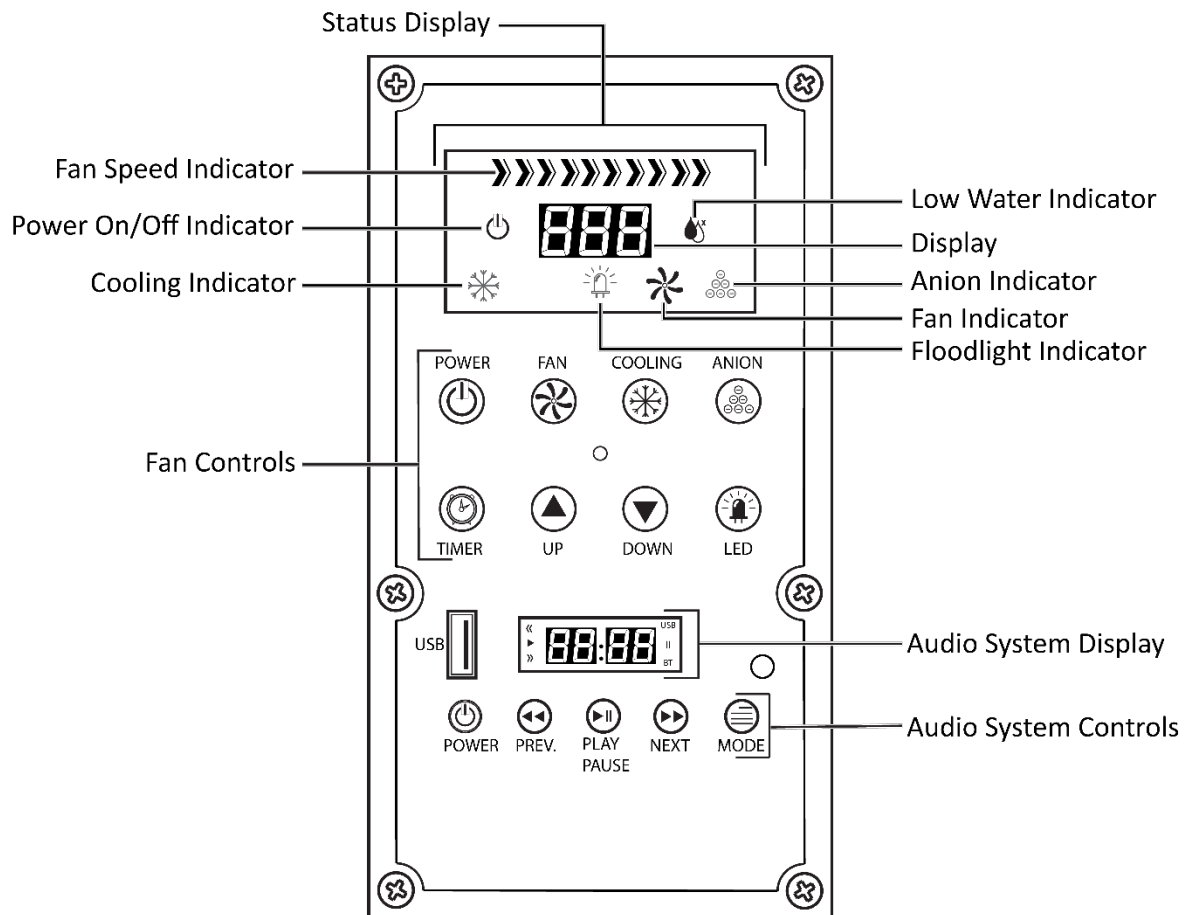

CB-16, -28, -36 Installation and Operation Manual Correction

Cool Boss TSB 115-032023

The purpose of this Technical Service Bulletin is to describe corrections to the Cool Boss Installation and Operation Manual 5900271 Rev. A1, affecting Models CB-16, CB-28 and CB-36. Subsequent revisions to this manual already incorporate the data described here. You can always find the most up to date version of the Cool Boss Manual on the web at coolboss.com.

The A1 revision of the 5900271 manual includes references to an Ozone generator. Cool Boss Evaporative Air Coolers **do not** include Ozone generators. They instead incorporate a negative air ion (Anion) generator.

5900271 Rev. A1, page 11 — Replace the Control Panel diagram with the diagram below.

5900271 Rev. A1, page 11 — Replace the Ozone Generator control instructions with the text below.

Anion Negative Ion Air Purifier – Push on-off. Applies and removes power to the Anion Generator.

5900271 Rev. A1, page 11 — Remove the Ozone generator warning.

⚠ WARNING

Ozone generators are to be operated in unoccupied spaces only.

~~This device is not intended to produce Ozone while personnel or pets are present.~~

5900271 Rev. A1, page 12 — Replace the Remote Control figure with the figure below.

5900271 Rev. A1, page 25 — Replace
the Ozone Generator operating instructions with
the text below.

**Anion Negative Ion Air Purifier
Operation**

The Cool Boss Anion Generator utilizes high voltage to electrically charge the air moving through the Cool Boss. This electrical charge generates negative ions (Anions) in the air. Anions are highly effective in removing particulates from the air.

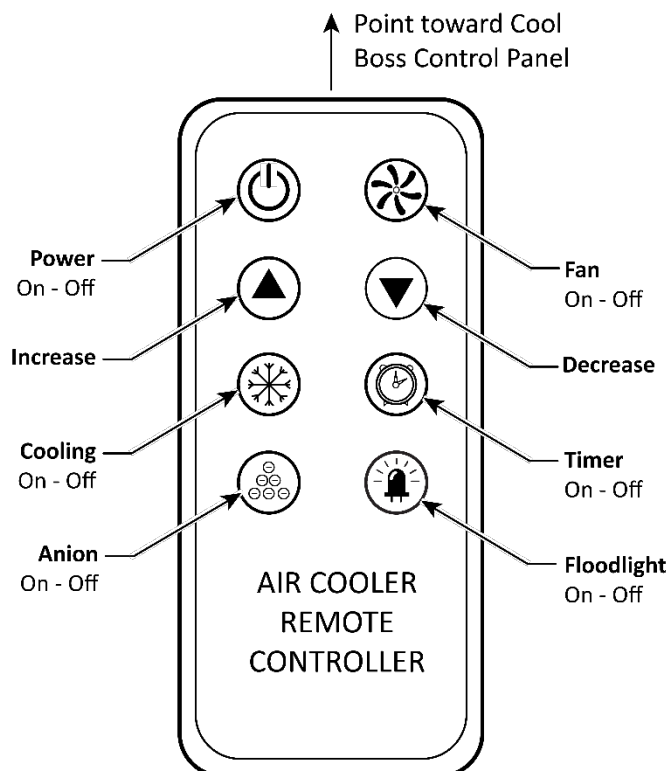

**To use the Anion Negative Ion
Air Purifier function:**

Push the Anion button once on the Control Panel or the Remote Control and the Anion indicator will illuminate on the Status Display indicating the Generator is in operation.

Push the Anion button once more to shut down the Anion generator.

5900271 Rev. A1, page 35 — Replace Item 37 with the text below

37			Anion Negative Ion Air Purifier
----	--	--	---------------------------------
